focusing on Industry 4.0  
and Engineering, followed  
by a Gala Dinner

**Saturday  
October 26**

Visits of companies  
or participation to ICMEE  
(International Conference  
on Mechanical Engineering  
Education)

# ARTS & MÉTIERS SHANGHAI 2019

## Foreword

From October 21 to October 26, 2019, Shanghai will host Arts & Métiers Shanghai 2019. Such an exceptional event is organized by **Arts & Métiers Alumni**, featuring **Arts et Métiers ParisTech Graduate School of Engineering**. It is the opportunity for specialists in the industrial sector coming from all over the world to **meet the representatives of Chinese industry** through the **visit of factories, conferences and round tables**.

Over **400 people** are expected to participate, a high proportion of which are French and Chinese engineers coming from both Europe and Asia.

### Message from Laurent Champaney

**President - Arts et Métiers ParisTech  
Graduate School of Engineering**

*Arts et Métiers combines training, research and technology transfer with industrial development. As a founding member of the Alliance for the Industry of the future, our international action positions us as a partner of French companies wishing to export. China is a major player in the industry 4.0. A solid and faithful partnership has existed with Arts et Métiers for more than 30 years. I will be happy to meet you in Shanghai in the fall of 2019.*

### Message from Jean-Marie Vigroux

**President  
Arts & Métiers Alumni**

*Arts & Métiers Shanghai 2019 is a major event for our Community. It associates the higher education institution and its alumni, showing our common desire to promote technological excellence and cooperation with China.*

*I hope it will be informative and inspiring to all the participants.*

## ESTIMATED ATTENDANCE

400 participants

**1.** As an **industrial entrepreneur**, to kick-start a business in China or to intensify interactions with Chinese influencers.

**2.** As a China-based professional working in **HR** or in a **major industrial group**, you wish to recruit **high-level graduates in engineering**.

**3.** You are an **alumnus** working on a **business project** which is China-based or includes Chinese associates. You are sponsored by a regional group of Arts & Métiers Alumni to present your project during the Congress.

# ARTS & MÉTIERS SHANGHAI 2019

## The Congress

The Arts & Métiers Congress is a **prominent event** organized every two years by Arts & Métiers Alumni (Société des ingénieurs Arts et Métiers).

In 2019 for the first time in its history, the Congress will take place in **China**.

The program this year will address **the major issues of industry 4.0**, with a focus on the role of engineers throughout this major industrial revolution.

Numerous **professionals from the industrial sector** will participate and share their views on the challenges in their respective fields.

**Dedicated areas** will facilitate **valuable networking** between skilled professionals and recruiters, international visitors and Chinese participants.

# ARTS & MÉTIERS SHANGHAI 2019

## A gateway to the Chinese market

The program and the spatial organization of the event offer the **unique opportunity** to make contact with Chinese market specialists.

Assistance in entering the Chinese market in conjunction with **local partners**:

- administration and human resources
- finance and management
- market research and commercial prospection

# ARTS & MÉTIERS SHANGHAI 2019

## Speed networking

### CONNECTING TALENTS

An exclusive talent pool

- **Valued professionals** with strong experience in the **Chinese market**
- **Trilingual engineers** empowered by their **Sino-French culture**
- Numerous **industrial** competences and experiences
